AMADEA

INTRODUCTION

Built to the highest standards at the renowned Lürssen shipyard, the 106.1m superyacht AMADEA delivers a truly one-of-a-kind experience.

Fully compliant with the Passenger Yacht Code (PYC 12–36 pax), AMADEA accommodates up to 22 guests while cruising and offers luxurious overnight accommodations for 16 guests across 8 staterooms.

AMADEA represents a unique offering in the 100m+ category—built to deliver a rare degree of privacy, permanence, and versatility. Built by Lürssen to Lloyd’s standards, with a steel hull, aluminum superstructure, and over 4,402 Gross Tons of internal volume for unmatched space, stability and scale. Espin Øino’s powerful profile balances seamlessly with Zuretti’s lavish, high-touch interior spaces. A dedicated Owner’s deck designed for privacy is fitted every appointment imaginable. Amadea has world-cruising autonomy with over 8,000 nautical miles of range and full helideck means AMADEA is built to roam far beyond the typical seasonal ports. Never commercially chartered or heavily used, AMADEA is ready for many years of global cruising.

KEY FEATURES

- ◆ Appealing design by Espen Øino
- ◆ Highly detailed luxury interior executed by Francois Zuretti
- ◆ PYC compliant: up to 22 guests on board
- ◆ Eight stateroom configurations, plus a convertible meeting room located on the lower deck
- ◆ Private owner’s deck featuring a forward-facing master cabin, outdoor Jacuzzi, dressing room, beauty salon, office, gym, living and dining area, bar, and a spacious skylounge
- ◆ Guest spa equipped with a sauna, hammam, chromotherapy dip pool, massage room, and a relaxation room with a sea terrace that opens directly to the ocean
- ◆ 10-meter infinity pool
- ◆ Private cinema with D-Box motion seating, located near the spa area
- ◆ Six decks in total, with five dedicated exclusively to guest use
- ◆ Two elevators servicing all decks — one for guests, one for crew and service operations
- ◆ Three tenders – a 10.97m limousine tender, a 10.97m sports tender, and an 8.80m beach landing tender
- ◆ Helipad designed to accommodate a Eurocopter EC135 or similar aircraft
- ◆ Dynamic Positioning System for enhanced stability and precision at anchor
- ◆ 4,402 gross tons of internal volume
- ◆ 8,000-nautical mile range at a cruising speed of 13 knots

ACCOMMODATIONS

- ◆ Owner's suite located exclusively on the dedicated owner's deck
- ◆ 1 x VIP stateroom and 4 guest suites on main deck
- ◆ 1 x VIP suite and 1 x guest stateroom on bridge deck
- ◆ Lower deck offers a convertible meeting room with a pull-out single sofa bed and full en suite head, allowing it to function as an additional guest cabin with private entrance
- ◆ 21 crew cabins accommodating up to 36 crew members

M/Y AMADEA is a world-class superyacht that masterfully combines luxury, performance, and visionary design across every deck. From her refined interiors to expansive outdoor living areas, every element has been crafted to offer supreme comfort, outstanding entertainment, and truly unforgettable experiences at sea. With a total of six decks – five of which are fully dedicated to guest use – AMADEA offers remarkable volume, flow, and functionally throughout.

TOP DECK

Accessed via the main guest stairway or the guest elevator, the upper deck welcomes guests with a spacious lobby that includes a day head.

AMADEA

Forward, you'll find the observation lounge, which offers two private sunbathing areas on the port and starboard sides, along with a large forward-facing seating area that overlooks the bow.

Moving aft, guests enter the light-filled Winter Garden, an elegant indoor dining area that features a live lobster tank as part of the unique dining experience.

The aft deck hosts a centerline Jacuzzi surrounded by sunbeds, which can be transformed into an outdoor disco. The Jacuzzi is fitted with a custom teak cover, allowing it to double as a stage for entertainment or events. A convenient outdoor shower is located on the port side.

A gourmet chef's galley is directly connected to the Winter Garden, offering freshly prepared, made-to-order cuisine.

BRIDGE DECK

The aft exterior of the bridge deck is purposefully designed for relaxed lounging and social gatherings. Sunbeds are positioned on both the port and starboard sides, flanking a central bio-ethanol fire pit.

At the center, beneath a shaded overhead structure, is a comfortable conversation area with three sofas to starboard and a full-service bar to port, enhanced by integrated exterior overhead heating at each sitting area and air conditioning over the dining tables, ensuring year-round comfort even in hotter and cooler climates.

Two sliding glass doors lead from this outdoor lounge into the cinema lounge.

The bridge deck lounge features a spacious seating area and a game table, which seamlessly transforms into a private cinema for onboard movie nights. Forward on the starboard side is a full-service bar counter, which can be discreetly closed off using a sliding pocket door for privacy or service flexibility.

Moving forward along the guest lobby, the port side houses a VIP stateroom featuring floor-to-ceiling sliding glass doors that open directly onto the deck, offering unobstructed views and private outdoor access. Opposite, on the starboard side, is a guest stateroom with floor-to-ceiling windows.

Continuing forward, guests arrive at the central lobby, which includes the main stairwell to all decks as well as elevator access.

Forward of the guest lobby on the port side is the first officer's cabin. Just ahead lies the captain's suite, also on the port side. Across from the captain's suite is the ship's office, which includes a glass-partitioned private office for the captain.

Adjacent to the lobby leading to the wheelhouse is a crew day head.

The wheelhouse features a fully integrated bridge system with a central chart table, flanked by leather-covered lounges with tables on both the port and starboard sides — ideal for guests wishing to observe navigation and operations in comfort. On the aft starboard bulkhead, a desk and shelving unit provide secure storage for the yacht's essential documentation.

Stepping through either the port or starboard wheelhouse door, guests can access a forward outdoor settee overlooking the foredeck. Notably, the owner's private deck remains concealed from this vantage point, preserving privacy.

AMADEA

Additionally, port and starboard wing stations are located here, offering excellent visibility for precise close-quarters maneuvering.

OWNER'S DECK

The aft deck features a fire pit with built-in seating and loose chairs, on center is a round dining table for 16 guests, port side is a full-service bar and cooking grill. Starboard side are stairs up to the bridge deck or down to main deck.

Going forward through glass sliding doors you enter the owner's lounge. On center is an open foyer looking down to the main deck saloon. On the port side is a piano and games table. The Starboard side is a conversation area with a couch and barrel chairs. Forward on center is the open foyer looking through to the main deck saloon. Forward of the foyer, on center, is a lounge area with a TV and fireplace.

Continuing forward of the lounge is the owner's private dining area, with sliding glass doors leading to the exterior port side deck. Just aft of the dining area is an intimate full-service bar on center, flanked by wine cellars on both port and starboard sides.

Leaving the owners' dining area going forward is the main lobby with elevator landing and main stairwell to all decks. Around the corner to starboard and just aft of the elevator is the Owners fully equipped gym with sliding glass doors onto starboard exterior deck.

Departing the lobby going forward you pass through a set of sliding doors into a small lobby where there's a guest day head, for those visiting the owners dining room or lounge. Passing through another set of sliding doors you enter the owner's private lobby with luggage storage and another day head on starboard, for guests visiting the owner's office or beauty center. Further forward on the port side is the owner's fully equipped beauty and massage center. Across from the beauty center on the starboard side the owner's private office with sliding glass door leading outside.

Passing through another set of doors which isolates the owner's suite, on the port is the owner's head with full size bathtub, two wash basins, shower and his and her water closets with bidets in each. Across the starboard side is the very large his and her dressing room with every type of backlit storage imaginable.

Furthest forward are the owner's 180-degree view stateroom with floor to ceiling windows. On the port side is a relaxing area with a sofa and chairs. On center is a fireplace with pop up TV built into the same cabinetry. Port side is the owner's berth. On the starboard, port and center are sliding glass doors leading out to the deck.

The exterior deck forward of the owner's cabin features two sunbeds port and starboard sides with a jacuzzi on center. All this area is out of sight of guests and crew from decks above. From here the owner has direct access to the helideck on the bow.

Forward on the deck is a helipad.

MAIN DECK

Starting at the main deck aft, guests are welcomed by a stunning 10-meter infinity pool featuring jet massage stations and a swim-up bar. The pool is equipped with both heating and cooling systems, ensuring year-round comfort. On either side are sunbeds, with a shower located to port for convenient rinsing.

AMADEA

Just forward of the pool, under the shaded overhead, are two settees, perfect for lounging in a cool, comfortable space. The overhead is equipped with integrated heating panels, ideal for use in cooler climates.

Continuing forward beneath the overhead, the central area offers a casual conversation space with a table and six chairs, creating an inviting setting for informal dining or relaxing with drinks. A full-service bar is positioned to port. Around the corner on the starboard side of the main deck is a guest day head.

The main salon is accessed via twin sliding glass doors from the aft deck. Along the aft bulkhead sits a full-service U-shaped bar. Just starboard of the bar is a discreetly integrated door providing direct access to the lower deck spa.

At the heart of the salon is the grand main foyer, featuring a double-height atrium open to the owner's deck above. On either side of this foyer are built-in sofa lounges.

Moving forward into the main seating area, guests will find a handcrafted wood-burning fireplace, a custom-made piano designed exclusively for AMADEA, and a game table.

Forward of the salon lies the formal dining room, designed to host up to 16 guests. The space is surrounded by fine China display cabinets. Sliding pocket doors allow the dining area to be fully enclosed, offering the option of privacy from the main saloon when desired.

To port, a discreet entry leads to the main deck pantry. To starboard, guests access the main foyer, featuring the grand staircase and the glass-bottom guest elevator, both providing vertical access to all decks.

Just forward of the foyer is a day head, conveniently located before entering the guest lobby, which serves as the central access point to the main guest accommodations.

From the guest lobby, a corridor leads forward to the guest accommodation area featuring four guest staterooms and one full-beam VIP suite.

Among the four guest staterooms are three king-size beds and one twin bed, each appointed with en suite bathrooms featuring showers and framed by three full-height windows; all guest areas are secured from crew access via a PAX key system, and the marble and granite floors throughout the guest spaces, including exterior areas—are heated for added comfort.

The VIP suite, spanning the full beam of the yacht, offers enhanced space and elevated privacy.

To port, the suite features a king-size berth, while the starboard side offers a private lounge area.

Forward on the port side is the spacious VIP bathroom, appointed with a freestanding bathtub, and a separate walk-in shower. Opposite, on the starboard side, is a walk-in dressing room complete with a central island for storage and organization and an outboard-facing vanity/make-up table.

LOWER DECK

From the stern bathing platform, guests may ascend the starboard stairway to the main deck aft or continue forward into the tender garage area. Just before entering the garage, a conveniently located day head is available in the adjacent lobby.

AMADEA

The tender garage is equipped to support a wide array of watersports and excursions. It houses three tenders, four Wave runners, four Seabobs, two eFoils, and two jet boards.

Hydraulic shell doors open to both port and starboard sides, enabling smooth launch and recovery operations. The space is further outfitted with a TV for crew or guest use and includes a fueling station.

Continuing forward on the starboard side from the tender garage, guests arrive at a lobby area providing access to the Sea Terrace / Recreation Room, located to starboard.

The area is also accessible via a concealed staircase located at the port-side at the aft end of the main deck salon.

The Sea Terrace / Recreation Lounge, located on the starboard side, features an opening shell door that folds out to create a private terrace over the ocean.

Inside, the lounge is equipped with a large TV screen mounted on the forward bulkhead, a sofa, an ice maker, and a mini fridge.

The dedicated spa includes a hammam, chromotherapy suite, sauna, massage room, rain shower, and a day head, along with a private changing area for guest convenience.

Located forward of the spa area, there is the engine control room and onboard workshop.

The engine control room can be accessed through the lobby connecting the tender garage and spa. An additional access point is available via the crew mess lobby, located forward of the engine room.

Forward of the engine room, are the crew and service zones. On the starboard side is the crew mess. Opposite, on the port side, is the fully equipped galley, which includes a dedicated chef's office.

Continuing forward on the port side, the crew staircase offers vertical access up to the main deck and down to the tank deck. Adjacent to this area is a portside service shell door and a dedicated crew elevator, which serves every level up to the bridge deck.

Further forward, the yacht houses a cooled garbage storage room, a temperature-controlled provisions store, and a dry stores area.

Located on the starboard midship, the Sea Lobby serves as a guest boarding platform that opens directly to the ocean. This area is directly connected to a private meeting room.

The meeting room is fully convertible and can be adapted into an additional cabin for guests, staff, or security personnel. It is equipped with a pull-out sofa, a large flat-screen TV, and a full-en-suite bathroom with shower.

The Sea Lobby is directly connected to the main guest lobby, providing convenient access via both a staircase and the glass guest elevator, which services all decks.

AMADEA

Also located on the lower deck are the yacht's crew accommodations, comprising a total of 16 cabins—including 6 singles (one fitted with two bunks), 7 doubles, and 3 triples—supporting a crew complement of up to 36, with a TV installed at the foot of every crew bunk.

TANK DECK

Located on the tank deck, guests will find a dedicated cigar humidor and a climate-controlled wine cellar. This area is easily accessed via the guest stairwell or the glass guest elevator.

Also located on the tank deck are a variety of essential operational and support spaces. Facilities include a fully equipped laundry room, a single staff cabin, and two additional single crew cabins.

The deck also houses a full-size infirmary and a dedicated crew gym, climate-controlled AV/IT room and two stabilizer compartments.

Provisioning and storage areas include a walk-in freezer and refrigeration rooms, dry store, a crew uniform room, and a general storage room.

CREW ACCOMMODATION

Crew quarters are located on the lower and tank decks, featuring a mix of single, twin, and triple cabins accommodating up to 34 crew members, while the captain's and first officer's cabins are situated forward on the bridge deck; the captain's cabin is equipped with a 55" Samsung TV that displays security camera feeds and the ECDIS system, along with two additional monitors for bridge information.

MAIN MACHINERY

Main Engines	2 x MTU 20V4000 M93L, with 4300kW each
Engine Hours	Port – 4,268 Starboard – 4,265
Propulsion Type	SCHAFFRAN VARIABLE PITCH PROPELLER'S
Engine Controls	REXROTH Electronic Monitoring Control System (EMCS) with emergency stop.
Engine Mounts	MTU Elastically mounted.
Engines Exhaust System	Seawater
Gear Boxes	2 x REINTJES; LAF 1963HR; 5,792:1
Shafting	2 x SCHAFFRAN shaft lines from reverse reduction gears to five-bladed outboard turning controllable pitch propellers
Propellers	Five-bladed controllable pitch propellers
Engine Ventilation	Heinen & Hopman 4 x Supply Fan & 2x Exhaust Fan

GENERATORS & ELECTRICITY

Generators	3 x LEROY SOMER LSAM 49.1 L11 AREP 676 kVA; 541 kW; 400 V, 50 Hz
Main Generator Engines	3 x 575 kWm diesel engine (MTU 12V 2000 M41A)
Generator Hours	Overhaul at 18,000 hrs. Port – 20,458 + 2,458 hrs. (07/28/2025) Centre – 20,394 + 2,394 hrs. (07/28/2025) Starboard – 20,319 + 2,319 hrs. (07/28/2025)
Generator Fuel Consumption	It depends on load currently approx. 1,700 litres per day alongside the dock
Generator Exhaust System	3 x HUG diesel particle filters
Emergency Generator	1 x 312 kVA; 250 kW; 400 V, 50 Hz (LEROY SOMER LSAM 47.2 S5)
Emergency Generator Engine	1 x 271 kWm diesel engine (MTU/DDC S60 6062HK51)
Emergency Generator Hours	Minimum supply period in case of emergency: 36 hours
Emergency Generator Hours	204
Shore Power	2 x 300 kVA shore connections

AMADEA

Shore Power Converter	2 x Shore connections, each 300kVA
Batteries	2 x batteries (approx. 160 Ah each) for the monitoring system 1 x battery pack (approx. 100 Ah) 1 x battery pack for 24 V consumers for navigation and safety equipment (approx. 160 Ah) 1 x battery for starting of the emergency generator set (one mechanical starting device in addition)
Battery Chargers	2 x rectifier/ battery charger of approx. 60 / 80 A to charge the battery and net unit to supply the monitoring system and different consumers 1 x 60 / 80 A (approx.) charger for the battery of the navigation and safety equipment 2 x 20 A (approx.) charging rectifier to charge the starting battery of the emergency generator set
Generator Start	3 x MTU 12V 2000 M41, 575 kW
UPS (uninterruptible power supplies)	1 x 60 kVA UPS-System (230 V/50 Hz) 1 x 30 kVA UPS-System (230 V/50 Hz)

AUXILIARY MACHINERY

Steering Gear	2 x JASTRAM hydraulic steering gear to BECKER twisted rudder
Emergency Steering	Manual handwheel in Steering Gear Room
Stern Thruster	1 x VOITH 300 kW inline thruster system (360°)
Pump Jet	1 x SCHOTTEL 400 kW electric pump jet
Stabilizers	2 x QUANTUM zero speed XT Fins (extendable type) Extendable fin integrated into the main fin, main fin not retractable
Under Water Lights	47 x Underwater Lights Limited, UL Ti MATE 75 SA, 150W
Helm/Wing Station Controls	Littau installation for ECC, BCC & WCC's, with foil covering for BCC & WCC
Fuel System	1 x Diesel fuel system
Tender Fuel System	1 x Diesel Tender fuels system in Tender Garage
Fuel Filters	HUG FSN 16/400
Fuel Oil Separator	2 x Alfa Laval self-cleaning separators (max. 3300 L/h).
Fuel Transfer Pump	2 x Behrens Pump 3 spindle horizontal screw pump 12m3/hr.
Fuel Filling Pump	Mahle Industrie Filtration Pumps
Bunkering Station	Located in Steering Gear Room (port side)
Petro Jerry Cans for Water Toys	14 x 20 liters (5 USG)
Oily Bilge Water Separator	RWO Skit SDEB 1,0; capacity 1 m3/h
Dirty Oil Pump	Behrens Rotary Lobe Pump 2m3/hr.
Lubrication Oil Pump	Behrens Pump 3 spindle horizontal screw pump 2m3/hr.
Firefighting & Bilge System	2 x Fire/Bilge Pumps, 1 x Emerg Fire Pump, 1 x Emerg Bilge Pump, All Behrens Pump Vertical Inline Centrifugal 60 m3/hr.

AMADEA

Firefighting System	Connected to AMS, duty alarm panels, light column system, glass guest elevator, crew elevator, dumbwaiter, Hi-Fog® system, fire doors, GA/PA system and the watertight door system.
Fresh Water System	HEM H48 duplex producer (2 x 25 m ³ /day), UV sterilizers, heaters, and softeners
Fresh Water Makers	1 x HEM H48 duplex freshwater producer (2 x 25 m ³ /day)
Fresh Water Treatment	2 x HEM Fresh water treatment system (15m ³ /h)
Fresh Water Sterilizer	2 x KARBERG & SCHMITZ UV sterilizer unit
Fresh Water Pressure	7bar
Hot & Cold Circulation Pump	2 x Hot Water Pumps, 2 x Cold Pumps, 2 x Cool Water Pumps (All Behren Horizontal self-priming side channel pumps 3m ³ /hr.)
Hot Water Heaters	4 x WESCO NAVY freshwater heater (2 x 1000 l & 2 x 600 l = 3200 l)
Sea Water Pumps	Behrens Pump Vertical Inline Centrifugal 120m ³ /hr.
Black & Grey Water System	DVZ-JZR 200 Biomaster (37 m ³ /day), vacuum and gravity systems.
Black & Grey Water Treatment	1 x DVZ-JZR 200 "Biomaster"; biological sewages treatment (37 m ³ /day)
WC's (toilets/bidets)	WALL MODEL, MOSAIK, WHITE
Sanitary Vacuum System	Triton Evac Vacuum Interface Unit
Sanitary Water System	N/A
Black & Grey Water Pumps	Behrens Rotary Lobe Pump 6m ³ /hr.
Garbage Management System	Impactor, Food Waste Extractor, & Glass Crusher.
Garbage Compactor	1 x Cooled garbage with a KLOSKA waste compactor & glass crusher
Automatic Grease Trap	ACO Fresh Grease Separator Plant
AC & Ventilation System	
Air Conditioning	1 x HEINEN & HOPMAN Single Pipe Central Air System
Air Compressor	2 x electric driven air-cooled air compressors
	2 x air receivers and miscellaneous reducing stations
Air Handling Units	HEINEN & HOPMAN system with 10 zones
Provision Refrigeration	2 x Reciprocating Compressors & 2 x Seawater Cooled Condensers
Engine Room AC	Fan Coil Unit
Engine Room Ventilation	4 x Supply Fans & 2 x Exhaust Fans controlled from the Scada Screen in the ECR.
	Intake on Bridge Deck, exhaust on Sun Deck
Galley Ventilation & Extraction	Heinen & Hopman
Hydraulic System	Gilbert & Schmalriede
Hydraulic Power Packs	Fore, Mid & Aft HPUs 210bar
Emergency Power Pack	Stored Hydraulic Power Pack, 42 x Accumulator 50litres 350bar.
Antifouling System	Cathelco ICCP
Type	Electrical and painted coating

The image displays a set of architectural drawings for the yacht 'STANZO 50/2200T'. The drawings include:

- Side Elevation (Top):** A detailed view of the yacht's profile, showing its sleek design, multiple decks, and various antennas and equipment on the upper levels.
- Deck Plans:** A series of plans showing the layout of the yacht's decks, including the main deck, upper deck, and lower deck. The plans are color-coded (yellow and grey) to distinguish different areas and structures.
- Mast Plan:** A detailed view of the mast and its supporting structure, showing the complex rigging and equipment mounted on the mast.

The drawings are presented in a vertical orientation, with the side elevation at the top and the mast plan at the bottom. The yacht's name 'STANZO 50/2200T' is prominently displayed in the center of the image.
